The purpose of this guide is to provide to new students at Kennesaw State an easily accessible list of the resources that are available here to help them both achieve greater levels of success during their first year as well as clear-up as much confusion as possible that comes upon entering a university for the first time. We hope that the following links and descriptions will help aid students in becoming more familiar and more comfortable with Kennesaw State and its many programs, departments, organizations, and other groups. We understand that entering any college or university is a large task and can be overwhelming at times, so this is intended to ease those pressures by offering three groupings of resources we find to be important to students. Beginning with Category I Resources and decreasing as the categories progress, we have compiled this document based not specifically upon importance, but upon necessity and levels of assistance to new students. Finally, we recognize that further additions or revisions may be useful, and we are more than welcome to suggestions. Please feel free to email Dr. Trivedi at nirmal.trivedi@kennesaw.edu or Josh Brown at jbrow512@kennesaw.edu. Best of luck during your first year, and we hope this helps!

**Academic Advising**

**General Advising**

Web: [advising.kennesaw.edu](http://advising.kennesaw.edu)

**Advising Center for New, Exploratory, and Students in Transition (The NEST)**

Web: [uc.kennesaw.edu/nest](http://uc.kennesaw.edu/nest)

Phone: (470) 578-2860

Location: Willingham Hall, Room 202 (Kennesaw)

*From their website:* The NEST is the primary advising resource for students who have not yet chosen a major, or are transitioning from one academic program to another.

NEST advisors are generalists; they can help you transition to Kennesaw State and ultimately into the appropriate major, where you will receive guidance from the departmental advisors (the specialists) in your major. The NEST is also a secondary advising resource for those students who have a declared major but need assistance with general education requirements or university policies.

All exploratory (undeclared/undecided) students are assigned a NEST advisor upon admission to the university.

Academic Support and Tutoring

*Academic Tutoring Services, Office of Development*

Web: [kennesaw.edu/stu_dev/alp/academic.shtml]

*From their website:* We offer individualized in person and online tutoring options for current students and prospective KSU students. Our appointments are 50 minutes in duration with optional computers and resource materials. With over 30 courses taught, clients who utilize this service find our tutoring sessions to be beneficial to their academic success.

*Cultural Awareness and Resources Center (CARC)*

Web: [kennesaw.edu/stu_dev/msrs/academic.html]

The CARC services include a full-service ITC computer lab, appointment and walk-in tutorial services in math and writing support at no charge to faculty, staff and registered KSU students. Students who received academic tutoring through the Cultural Awareness & Resource Center benefit from focused individualized tutoring.

*Dean of Students*

Web: [http://deanofstudents.kennesaw.edu/index.php]

*From their website:* Your Dean of Students is your advocate and resource to help maximize your success at KSU and beyond. The formal roles of the Office of the Dean of Students include oversight for all student conduct, problem resolution, behavioral and crisis response, administrative emergency withdrawals, policy review and compliance, and student advocacy and support.

In addition to the formal functions of this office, the Dean of Students collaborates across all areas and constituents within the greater university community to enhance the student experience. This includes not only service to students but also collaborations with parents, alumni, community members, faculty, staff, and campus administrators. In some ways, the Dean of Students office is similar to a hotel concierge - when you are not sure where to turn and need guidance, we will always be happy to help. If we cannot resolve your needs we will connect you with the appropriate offices and individuals who can.

Handshake

Web: http://careers.kennesaw.edu/owllinkinfo.php

Handshake (formerly known as OwlLink) is the KSU career management system that allows students to interact with potential employers from all over the community and elsewhere to look for jobs, internships, co-ops, and other work opportunities. You’re able to post your resume, view job listings, and network with other individuals via the platform. You’ll almost certainly have to become familiar with it for your Professional Development class, so take advantage of it as soon as you can!
**Internship and Co-Ops**

Web:  careers.kennesaw.edu/employers/internship.php

*From their website:* An internship is employment that closely relates to the student’s major and is usually one semester in length. Students may also receive academic credit for their participation (with an eligible major) and the position may be paid or unpaid, depending on the major. The internship may be part-time or full-time, but should include a minimum of ten hours of work per week. This program is available to third-year undergraduate students and older, as well as to graduate students. GPA, credit hours, and other academic requirements vary by major.

For an Alternating Co-Op, undergraduates commit to work with the same employer in a major related position for three semesters over a five-semester period, alternating between full-time work and full-time academic coursework on an every-other semester basis. Undergraduates must have 30 hours of coursework completed and a 2.5 GPA to begin the program and must maintain a 2.5 GPA throughout.

For a Parallel Co-Op, students work for at least two semesters with employers in positions that provide direct related experience to their academic majors. They may receive academic credit for participation and must be paid a wage. The position may be part-time or full-time, but should include a minimum of ten hours of work per week. Second-year and older undergraduate as well as graduate students are eligible to participate if they have a declared eligible major, at least 30 completed undergraduate credit hours, and a 2.50 GPA.
**Student Employment Information**

Web:  [web.kennesaw.edu/hr/content/student-employment](http://web.kennesaw.edu/hr/content/student-employment)

A Student Assistant is a part-time employee who is currently enrolled in at least a half-time credit load at KSU with the primary goal of achieving a degree. A Student Assistant is considered a temporary employee and is not eligible for benefits. As with all KSU employees, Student Assistants must attend an employment orientation with Human Resources prior to beginning work. In general, Student Assistants may not work more than 20 hours per week.

Students who maintain the appropriate academic standards are given the opportunity to register for classes during the earliest stage of Priority Registration. Students on academic probation are ineligible for the early registration benefit. New students and students being readmitted must wait one term to become eligible for early registration benefits.
