1	3+
2	3+
3	3+

\*limited to 6 hrs in electives from Coles College of Business

**Total Program Hours: 123**

+ denotes courses with a prerequisite

**Work Experience/Service Hours:** For graduation, students must complete a minimum of 600 industry work experience/service hours, with a minimum 200 of those hours being degree-focused volunteer (non-paid) service hours through VKSU (all 600 hours can be acquired through volunteerism). Exceptions require written approval in advance by the department chair. Students will register for CSH 4000 and CSH 4010 for zero-credit for certification that the hours were completed. Only register for these courses if the hours will be completed by the end of the semester.

While planning your schedule, you will need to make sure you sequence your courses so that you have all required prerequisites (courses & AGPA) before enrolling in the course. **FAILURE TO DO SO MAY DELAY YOUR GRADUATION!**
